Introduction 1

01 A framework for understanding risk 5

An analysis of supply chain threats 5

The severity of threat 7

Understanding the causes of supply chain disruption 14

External risk categories 22

02 Engineering supply chain resilience 31

Preparedness and strategies for response 33

Business Continuity Management (BCM) 35

Offsetting the risk of business interruption 36

Case study of resilience: how does Cisco manage risk? 38

The role of flexible technology in supply chain resilience 42

The role of government and commercial companies 44

03 Industry sector resilience to supply chain threats 47

Automotive 47

High tech 56

Consumer goods/retail 62

Food 64

Fashion 69

Pharma/healthcare 72

- 04 Natural disasters, climate change and pandemics 79**
The impact of natural disasters on supply chains 79
Climate change 92
Pandemics 104
- 05 Economic risks to the supply chain 109**
Demand shocks 109
Currency fluctuations 112
Supply shocks 113
Industrial unrest 119
- 06 Societal risks to supply chains 123**
Fair labour 123
'Conflict-free' minerals 132
Environmental practices of supply chain partners 138
Food shortages in developing countries 150
- 07 Terrorism and security 157**
Risk and security in air cargo supply chains 157
Sea freight security 164
Conclusion 174
- 08 Corruption in the logistics industry 177**
Why is the logistics industry so prone to corruption? 177
'Anti-bribery, anti-corruption' legislation 178
Most corrupt markets 179
Freight forwarding and Customs corruption 180
Customs corruption in the EU 183
Dealing with corrupt Customs officials: WEF best practice 184
Smuggling and Customs corruption 187
VAT fraud schemes 189
Cracking down on customs corruption 190
Freight forwarding, airlines and cartels 191
Unofficial tolls and crossing controls 193
Allegations of corruption in government
contract negotiations 196

Major defence logistics corruption in Afghanistan	198
Humanitarian aid logistics corruption	200
Organized crime in transport operations	205

09 Cargo crime and piracy 209

What is cargo crime?	209
Theft from trucks and warehouses	211
Combating vehicle-based cargo crime	214
Cargo crime in North America	216
Cargo crime in emerging markets	218
Theft from airports	219
Conclusion	221
Cyber threats to supply chains	222
Piracy	224
Conclusion	235

10 Conclusion 237
